- The last exam must be passed 7 days in advance and the thesis PDF has to be uploaded online within 14 days before the degree session
- Students who are unable to graduate in the session indicated in their graduation application must inform the Secretary Office at least **15 days before** the start of the session. They must also cancel their previously submitted application using the same online procedure. For subsequent graduation sessions, they will need to submit a new application within the specified deadlines.

In this case, since it is a renewal, **the payment of the €16 revenue stamp required for the first application will not be necessary.**
