

# MASTER'S DEGREE IN WILDLIFE MANAGEMENT, CONSERVATION AND CONTROL

## PROCEDURE OF ENROLMENT FOR EU STUDENTS

Enrolment takes place in four steps:

- 1) **ONLINE REGISTRATION:** register on the portal [Self Studenti Uniss](#)
- 2) **PRE-ENROLMENT:** pre-enrol online in the portal [Self Studenti Uniss](#) (see the tutorial [here](#)).
- 3) **ENTRY TEST:** participate in the entry test. The calendar of the entry tests is [available here](#).
- 4) **ENROLMENT:** after the entry test, once formally admitted, the student has to fulfil the online application (see the tutorial [here](#)).

Students have to pay fees through electronic payment systems PagoPA (for more information see the tutorial "Pagamento PagoPa" [here](#)).

Keeping a copy of the pre-enrolment form is highly advisable.

**Classes start at the beginning of October.**

More information is available in the [WMCC website](#).
