

## *CdLM in Wildlife Management, Conservation and Control*

### SCHEDULE PLANNER – 2<sup>nd</sup> YEAR, 1<sup>ST</sup> SEMESTER

A.Y. 2020/2021

SUBJECT	TEACHER	CFU	LECTURES	PRACTICES	LABORATORY	NOTES
Morphological and Physiological Adaptation to Environmental Changes	Prof. Fiammetta Berlinguer	6	24	8	16	
<b>Morphological and Physiological Adaptation to Environmental Changes</b>	Dott. Sergio Gadau	3	8	8	8	
Stress and Animal Welfare	Dott. Sebastiano Luridiana	6	24	16	8	
Ichthyology and Conservation of Fish Resources	Prof. Marco Casu	6	24	16	8	Borrowed from the first year 2020/2021

**Please note that just theory lectures have been scheduled so far. Practical lectures will be scheduled later in accordance with the students and as the COVID situation improves.**

	9-10	10-11	11-12	12-13	15-16	16-17
<b>1° week</b> <b>1 October - 2 October</b> <b>2020</b>						
Giov 1						
Ven 2						

<b>2° week</b> <b>5-9 October 2020</b>	9-10	10-11	11-12	12-13	15-16	16-17
Lun 5			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 6			Stress and Animal Welfare	Stress and Animal Welfare		
Mer 7			<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>	<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>		
Giov 8			Stress and Animal Welfare	Stress and Animal Welfare		
Ven 9						

<b>3° week 12-16 October 2020</b>	<b>9-10</b>	<b>10-11</b>	<b>11-12</b>	<b>12-13</b>	<b>15-16</b>	<b>16-17</b>
Lun 12			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 13			Stress and Animal Welfare	Stress and Animal Welfare		
Mer 14			<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>	<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>		
Giov 15			Stress and Animal Welfare	Stress and Animal Welfare		
Ven 16						

<b>4° week 19-23 October 2020</b>	<b>9-10</b>	<b>10-11</b>	<b>11-12</b>	<b>12-13</b>	<b>15-16</b>	<b>16-17</b>
Lun 19			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 20			Stress and Animal Welfare	Stress and Animal Welfare		
Mer 21			<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>	<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>		
Giov 22			Stress and Animal	Stress and Animal		

			Welfare	Welfare		
Ven 23						

5° week 26 -30 October 2020	9-10	10-11	11-12	12-13	15-16	16-17
Lun 26			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 27			Stress and Animal Welfare	Stress and Animal Welfare		
Mer 28			<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>	<b>Morphological and Physiological Adaptation to Environmental Changes (Dott. Gadau)</b>		
Giov 29			Stress and Animal Welfare	Stress and Animal Welfare		
Ven 30						

<b>6° week 2 - 6 November 2020</b>	<b>9-10</b>	<b>10-11</b>	<b>11-12</b>	<b>12-13</b>	<b>15-16</b>	<b>16-17</b>
Lun 2			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 3			Stress and Animal Welfare	Stress and Animal Welfare		
Mer 4						
Giov 5			Stress and Animal Welfare	Stress and Animal Welfare		
Ven 6						

<b>7° week 9-13 November 2020</b>	<b>9-10</b>	<b>10-11</b>	<b>11-12</b>	<b>12-13</b>	<b>15-16</b>	<b>16-17</b>
Lun 9			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 10			Stress and Animal Welfare	Stress and Animal Welfare		
Mer 11			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Giov 12			Stress and Animal Welfare	Stress and Animal Welfare		
Ven 13						

<b>8° week 16- 20 November 2020</b>	<b>9-10</b>	<b>10-11</b>	<b>11-12</b>	<b>12-13</b>	<b>15-16</b>	<b>16-17</b>
Lun 16			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)		
Mar 17						
Mer 18			Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)	Morphological and Physiological Adaptation to Environmental Changes (Prof.ssa Berlinguer)
